# The Pinnacle Group, Inc.

The Pinnacle Group is a "Total Concept" builder. Our services include architectural design, construction management, landscape architecture and interior design (through our affiliation with Old White Interiors). This is a family business and it shows through every facet of the building process. We treat you like family, because to us, you are our extended family. Our clients are our inspiration of why we build homes. We long for the relationships we make and the friendships we cherish for a lifetime.
