

TRAVELLER'S HILL 3 - 158 DEER WOOD CIRCLE

This ultimate getaway is designed to unite the ambiance of a modern Craftsman-style home with a spacious floor plan creating a period style and livable home that blends gracefully with its mountain setting. This residence features a stone and cedar facade, highlighted with copper roof dormers and exposed timbers, ample windows, and an oversized transom-lit entry door, which provides abundant light for an airy feel. Plentiful porches offer expanded living spaces and allows easy transition from indoors to outdoors. The Great Room features fine detailing such as a barreled ceiling, stately stone fireplace, access to rear deck with wooded and mountain views, spacious cook's kitchen with granite center island, and bar that opens to the dining room, providing another gathering space for family and friends. This spacious three level home with garage apartment includes 6 bedrooms and 7 bathrooms, an ample recreation room, home theater, and gracious stone terrace.
